What is Holiday Hope!

Community Thread of Stillwater, Holiday Hope program matches families, older adults and adults with disabilities with sponsors who provide gift cards and gifts. Every year over 700 local households benefit from the generosity of our community.

This year sponsors will not provide a holiday meal. Community Thread has received a very large donation that will provide the meals!

How can you get involved?

SFA is sponsoring 9 families this year!

You can help sponsor these families & individuals by grabbing a tag from the Gift Tree in Berg Hall. Purchase the gift or gift card on the tag and return with tag attached to the table in Berg Hall before December 4, 2022

Want to do more?

See the poster with the Gift Card/Gift Wish List.

Deadline for all donations – Sunday December 4
